Student Ministries Behavior Expectations

Here at New Heights, we love students and families! Our ministry seeks to create an environment consisting of activities and programs that will, while working alongside families, train and educate students towards maturity. A component of this environment includes certain behavior and cooperation standards that the students are expected to follow. These standards include:

- Following the direction of the staff leadership
- Showing respect and a cooperative attitude
- Respecting the rights and property of others
- Abstaining from the use of drugs, alcohol and tobacco during any church sponsored activity

These standards remain consistent in their nature, but vary in specifics from activity to activity as the goals and purposes of each activity vary. When students choose not to abide by these standards, disciplinary responses given include:

- **Minor** cases—work detail, loss of free time, separation from the group, etc.
- **Moderate** cases—we may also inform the parent.
- **Serious** cases—parent may be asked to pick up their student from the activity.

In all cases, the ministry benefit to the student and the entire group remains the primary goal. Discipline is always administered for the good of the student and the group. The needs of people always come first!

I have read the above expectations of student behavior and will abide by them
