Welcome

Welcome!

If you are looking for a unique opportunity to be stretched and to serve God cross-world and cross-culture, this is it! Global Outreach offers a short-term mission experience for young adults in the church. This is an intense, but exciting, way to see how the body of Christ functions around the world and how God can use you to uniquely make a difference in the lives of others this summer.

A Few Details about Impact Indonesia:

For many years we have been serving and developing a unique relationship with Mission Aviation Fellowship (MAF) missionaries in Papua, Indonesia. We want to give you an opportunity to share in the service of this ministry with us!

We'll be spending about 2 weeks in Papua, Indonesia serving the missionary families of MAF. Our main ministry to MAF will be serving at their annual family conference, where we'll be bringing camp to them! We will take you into a village that MAF serves, so that you can experience a piece of MAF's ministry throughout Papua as well.

This is a safe area of the country and is well supervised by MAF missionaries and New Heights Church Staff. Certain vaccines and medication will be required prior to departure to ensure safety and to maintain all health regulations. Specifics and other details will be addressed and worked out during our training meetings, prior to the trip.
