

**SERVING
SLOVAKIA
INFO
PACKET**

WELCOME!

Serving Slovakia is a short-term mission experience that provides an opportunity to see God at work while sharing the love of Christ and serving the people of Slovakia.

DETAILS

Partnering with our friends at the Center for Christian Education (CCE), we'll be spending two weeks in Martin, Slovakia. While there, one team will teach conversational English to Slovak citizens from the surrounding area, another team will do light maintenance work to help the CCE prepare for a new school year, and all of us will have the opportunity to serve and encourage our friends at the CCE and the local church.

Our team will consist of 5-7 EFL teachers, up to 30 conversational "table coaches", and 3-4 maintenance workers.

COMMITMENTS & REQUIREMENTS

Please read these details carefully as you will be required to uphold all commitments and guidelines when serving as a part of this team.

We ask that you be committed to:

- **Jesus:** developing and growing in faith
- **Serving:** Slovak students, fellow team members and the staff of CCE
- **Prayer:** praying for our team, CCE and the ministry that will take place this summer
- **Church:** faithfully attend a service at New Heights Church

GENERAL REQUIREMENTS

- Maintain the four commitments as outlined above.
- We require that you contribute the entire cost of your trip, which must be paid in full prior to departure. If this is a concern, please reach out so we can answer any questions.
 - Actual cost will be determined once group size is known and reservations are made. At this point, we estimate the cost will be from \$2,500-3,000. Cost includes airfare, lodging, breakfast, lunch, transportation and sightseeing trips. Most dinners are on your own (average cost: \$8-10 per meal) although some will be included with sightseeing trips.
- Apply for a US passport as soon as you are selected to serve on the team (if you don't already have one).

TRAINING REQUIREMENTS

- Attend all training meetings (see Important Dates page)
- Come prepared to each training meeting, having completed all readings and other assignments

IMPORTANT DATES

Application Deadline:	Monday, March 2, 2026
